It is said that we are by far the most inspiring place to stay in Podgorica. How come? We move beyond your business needs, comforts and expectations.

The successful events in the outstanding and multifunctional spaces, eclectic restaurants and cuisine, skylit rooftop, cool environment to wind down and feel the breath of the hotel, out of the box ideas and best professionals to guarantee the biggest success of your happenings await you.

We deliver whatever you desire, and we mean it.

No limit to the imagination.

You are here and this is CUE Podgorica.

MEETING ROOMS

Our meeting spaces are amusing and boring, trendy and formal, comfortable and spartan, harmonic and chaotic, stylish and strict, intimate and huge. Just as a chameleon, our **six meeting spaces** and our flexible team completely adapt to your specific needs for a success driven orientation.

You want to create a feeling of overabundance? Too much of everything? A glittering, fancy and iconic event to be remembered for decades? We can do better.

Or, you don't need plush leather chairs? You don't need natural daylight? No need for high speed Wi-Fi or fully integrated light & sound system? No wide-screen TV? Or multi socket plugs with phones for conference calling capabilities? We'll take them away and come up with something original to make your "cave dwelling" convention a great success!

In our **Grand Room** that features floor to ceiling windows providing ample natural daylight, we have celebrated huge successes like conventions, forums, round tables, fairs, luxury weddings, private parties, gala dinners, team building activities and many other important events and celebrations.

In our **two Conference rooms** our clients have done set-ups in a variety of styles - typical and untypical presentations, formal and

informal gatherings, press conferences, lectures, promotions and product launches.

Some clients use our **three small meeting rooms individually or combined** to provide a larger room to do a board of directors meeting and lunch, conference calls or even castings for a movie or fashion model booking.

In our **dining room** that oozes casual sophistication but offers a truly distinctive dining experience you can have your perfect wedding breakfast, a special dinner party or an exclusive product launch, a buffet or a la carte setup.

As an informal multifunctional space between the meeting and conference rooms, our **Gallery** is used as a breakout area for much deserved tea and coffee breaks or buffet lunches, as well as for the art exhibitions, fashion shows, cocktail receptions and elegant gatherings.

PENTHOUSE

This is the place to be in Podgorica. This suite is worthy even of a royalty. If you ever have a top special event, this penthouse will undoubtedly bring you a success story to remember forever. Ultra-glamour, finest furniture and materials, a grand piano amidst, multifunctional space with direct access to the jewel in the crown of this suite - an expansive terrace with a 360° most incredible view of Podgorica. By night, it transforms into a magical venue lit by the stars.

Our Penthouse is the first choice for unforgettable weddings, iconic photo shootings and filming with models, the advertisement recording, boards of directors' meetings, product promotions or just party around events. Here you can never run out of champagne!

THE LIVING ROOM

"The place to see and be seen in Podgorica". Indeed, that is how the most of our guests describe The Living Room, the beating heart of CUE Podgorica and the leading lounge and dining hub in the city.

You can enter to enjoy a winning breakfast or well-deserved coffee break on the terrace, bright flavours of a business lunch in the parlour or our famous cocktails during a live concert at night.

Welcomed in a place of eclectic furnishings and vintages lamps, complimented by local memorabilia, you will always get great ambience and vibes, and always meet the coolest, pretty, vibrant and playful people. That's truly a memorable experience, don't you think?

THE SIGNATURE LOUNGE

Private exclusive venue for our VIP guests staying in the suites and signature rooms. A unique interplay of minimalist yet chic style, signature design and amazing view brings an open, airy feel. Perfect for a morning coffee against the mesmerizing backdrop of Podgorica's skyline, enjoying delicious snacks while working on your laptop, having favourite drinks with your special friends or an important meeting in the adjacent privé.

WEDDINGS

You want a wedding among your nearest and dearest, intimate and cosy, but glamorous and extraordinary? The Penthouse and the Rooftop terrace create a picture-perfect place for newly-weds. The salon for the preparation of the 'wife to be' and her bridesmaids, special turn down service, a romantic breakfast in bed and moonlit meal on the terrace – these are just a few of our unique eclectic offerings that will win and melt your heart. Just enjoy the excitement while our dedicated wedding team transforms your "I do" story into bohemian romance, glamorous fantasy, vintage fairy-tale or contemporary chic chronicle.

CUE Podgorica encourages you to discover this destination's beneath-the-radar delights and sparking connections between travellers from different cultures. This is a stimulating space that invites you to open, break from the virtual and dive into the real.
