CUE Podgorica hotel is a stunning backdrop for the most special day of your life and we would be honoured to be your hosts.

Live out your fantasy at the lavish Penthouse Suite, our sophisticated wedding venue that redefines hotel weddings in the capital city.

Dedicated team will guide you through each step of the planning process as well as adapt to your specific needs, ensuring your special day is unforgettable, chic and unique.

At the Penthouse we appreciate just how important your event is so, we will ensure your needs are handled with care and respect.

When planning a smaller ceremony, a world of alternative venues opens up. Instead of limiting yourself to only a traditional church or ballroom, you can say "I do" in this unique setting that reflects both of your personalities.
